### **FLORAL ARTS GARDEN CLUB**

1948-present

**Club Objective: To study and demonstrate the use of flowers and shrubs in the home and garden, including the arrangement of flowers, corsages and landscaping.**

**Meetings are held on the 2<sup>nd</sup> Tuesday, September thru June, in members' homes. Lunch begins at noon and is provided by a member hostess. After recitation of the Gardeners' Creed, a brief business meeting occurs, and then the members have a program related to floral design provided by a member. Members' floral designs are then displayed for all to enjoy and learn. Membership is held to 16 so that we can continue meeting in members' homes.**
