

OUR VERY OWN
"LARIATE LAUREATE"

Joyce Johnson is a long-time and very active member of Chuckanut District and several of its garden clubs, including LaConner Civic and Floral Arts. She has a special talent that MUST be acknowledged.

The following link will give you some insight into the person she is, the inspirations she uses, and the poetry that sets her apart:

<http://www.cowboypoetry.com/joycejohnson.htm>

Amazing, huh? Joyce is not limited to Cowboy Poetry; she has quite the collection of "Garden Poetry" as well. Be sure to read her poems on this website's Newsletter, as she is our main contributing poet, and we are VERY lucky and appreciative in having her as part of our District! Many of our members have multiple interests and talents beyond garden club, but Joyce has received accolades for her poetry far and wide. Now that you know her a little better, say "Hi" to her the next time you see her.
