The minutes of the May meeting were read and corrected. The City of Mount Vernon will provide a water system hookup for the Emma Jarvis garden, and TVG will install the drip system.

There will be no meeting on July 7. Instead, there will be a meeting and hypertufa work party at 5:30 p.m. at the home of Sandy Randles on July 26. The garage sale will be held on July 30 in Lynn's driveway.

The Oak Harbor Garden Tour and tea is June 25. Tickets are \$18.00. Please let Marisa know if you plan to go.

A work party to do plastic wall-hung planters sometime in March.

Planters using old windows as the background, sometime in May.

We need to have flyers made up regarding our wreath sale. Val offered to be in charge of that.

Respectfully submitted,
Kathy Hansen, TVG Secretary
